New Business:

SHAPE UP SHERIDAN

We need to get in contact with CrossFit, owners Jon Janson and Jeff Smith are who we need to talk with about Shape up Sheridan event.

After we find out if this is still a go we will need to talk about Shape up Prizes for the winners and ideas for the top three classrooms that make the most money.

Once we get in contact with CrossFit we need to set up a day for John Janson to come to the school to fire up the kids for an assembly. In the past the assembly has been at 2:45pm.

There was talk about how last year we had volunteers for Shape up and fruit donations from stores around town.

Last year there was a graphic outside the office showing kids the progress of the money raised for each class room. We would like to see this happen again.

We would like to get more people involved with the PTO; we came up with an idea to make a PTO Board for Begindergarden to let all the new incoming parents about the PTO.

We also talked about the PTO board that is located in the hallway across the teachers work room. We would like to see a new one up each month for parents to see what is new with the PTO.

Becky is going to talking to the teachers about having a different teacher each month come to the PTO meetings to see and hear what is new.

Carrie will be sending out the minutes to Becky each month so that she can forward them to each of the teachers. To keep them updated on new events in the PTO.

Toni Dubois asked that we bring up the basket idea she had to replace the plant sale this year. We briefly talked about this and will be talking about it at the next meeting.

Next meeting:

The next meeting will be held in the Library at the school September 7th at 3:20.
