President's Report:

Katie Eberly-

Katie talked to CrossFit and said they will be unavailable to do Shape Up Sheridan this year. Toni Dubois will be taking over Box Tops this year from Katie. We are hoping to bet our goal of \$1000 this school year.

New Business:

New Plans for Shape Up Sheridan:

Jennifer Wood will be calling the Dallas from North Central Michigan Collage to find out if they would like to help sponsor Shape Up Sheridan for this school year.

Once we have a yes or no from NCMC we will begin to start planning for Shape Up by looking for Prizes and donations. We will also have Becky and Toni be getting ahold of people to get apples, bananas and water. (In past years we have been using the yellow jugs for water.)

Find pledge sheets from last year.

New Fundraising Ideas:

Toni had the idea of doing a Basket fundraising this school year, this will be taking place later in the school year close to Christmas time. We are looking for ideas for the baskets/totes and will also be looking for totes for this fundraiser.

Teachers meeting will be September 12th; there will be an introduction to PTO members for the 2017-2018 school year.

Christi will be making a flyer and sending it to all teachers, this will have contact information about each PTO member. She will be sending this out in a mass email to all teachers.

All PTO meetings will be the first Thursday of every month except for December, this will be held the second week that month.

Ashley Goldsmith will be creating an order form for families to purchase Sheridan shirts, sweat shirts etc. At the first Parent Teacher Conferences on November 13th and 14th. PTO members will be there selling the items. We will also be sending out flyers in Thursday folders before Christmas for anyone that would like to buy anything. All funds will go to Sheridan PTO.

As of right now we know that shirts for will \$10 each. 😊

Facebook is doing great, PTO is happy with the amount of families we have so far. Carrie Wilbur will be creating events on the page to help with reminders on events to come.

Mark Oberman offered to make a mail box for all box tops. This will be a fun place to start putting all of the box tops for our school.

We talked about ways we can save the PTO money this year, in the past for Parent Teacher Conferences, one night PTO would pay for food for the teachers and the other night we would get donations from

parents for a soup and salad. This year we would like to see both nights to be donations from the families from Sheridan.

Some ideas that came up were,

Soup and Salad

Taco Bar

If you have any other ideas, please let the PTO know.
